[project muse god duty and community in english](#)

Brodie Waddell's God, Duty, and Community in English Economic Life draws on a wide range of sources—petitions, correspondences, cheap print, prescriptive religious literature, state proclamations, ballads, almanacs, guild regulations—to make the not necessarily incompatible case that the modern capitalist mindset was foreign to the ...

[god duty and community in english economic life 1660](#)

Previous discussions of English economic life have tended to ignore or dismiss the influence of cultural factors. By contrast, Waddell argues that popular beliefs about divine will, social duty and communal bonds remained the frame through which most people viewed vital 'earthly' concerns such as food marketing, labour relations, trade policy, poor relief, and many others.

[god duty and community in english economic life 1660](#)

Alongside material changes and a growing market ideology, traditional ideas about religion, duty, and community continued to influence economic relationships and practices well into the 18th century. This is the subject of Brodie Waddell's new book, which sets out to explore the economic culture of later Stuart England.
